

WELCOME TO ST. FRANCIS!

As your first English assignment, you will need to ask *faculty, staff, sophomores, juniors, or seniors* at St. Francis to help you answer the following questions. You will write down the answer to each question and have the person you asked sign the appropriate area and state his/her position. In order to receive credit for your assignment, you must ask someone from the above listed *italicized* categories (your parents or you do not count!!!). Only one answer per person, so you will have 10 different signatures when you turn this in. P.S. Answers will be graded on accuracy.
