

THE WRECK ROOM[®] Inc.

“Beautiful Bodies Are Our Business”

“COMPLETING THE DREAM”

The Wreck Room is a 5 Star auto body collision and mechanical repair shop. The Wreck Room's onsite auto repair facility allows us to offer a full line of quality auto repair to our customers. All of our employees are constantly attending classes and seminars to keep up with the ever changing auto repair industry.

The Wreck Room has a long standing relationship with St. Francis, and would take great pride in helping build a strong future for the St. Francis community. If you are a member of the St. Francis community, and you bring your automobile to the Wreck Room for any service or repair, we will donate 5% of the final bill to St. Francis's Capital Campaign “Completing the Dream.” Let's make this dream a reality!
